Dil Hai Tumhaara .Luxurious and Old-School New Orleans Bars Cataract is the French word for “mud.” According to the Oxford English Dictionary, a cataract is “a cloud of dense, opaque cloudiness.” In the case of New Orleans, a cataract is a speck of structural damage to the corner of any given building, precipitated by several hundred years of hurricane winds. The following dark, historic bars represent a tiny fraction of New Orleans’ rich and raucous nightlife. They are situated in areas that are not touristy, because you just can’t experience life in the Big Easy without being a tourist. Over the decades, they have become favorites of locals, who return for good, food and drink. Café Mozart From the outside, it looks like a classic bar and coffee shop, until you walk in and then you’ll see why locals keep coming back. It was established by the famous café’s founder, Russell Wirtz, who opened it in 1925. It has been renovated and updated multiple times but the charm and history remains untouched. During brunch hours, it is a hipster hangout for coffee-loving 20- and 30-somethings. By night, it is the bar of the most local of local taverns: the Creole Twilites, which was established in 1897 and named after the football and basketball teams of the same name. Creole Eagle Creole Eagle is a dive bar just off Bourbon Street where the walls are adorned with newspaper pages from the 1930s. The beauty of this bar is that, like so many others, it has evolved over the years. Its classic surroundings and drinks, however, are pretty much the same
